The Free Ride Transit System and the Summit Stage use the Breckenridge Station to transfer passengers and to provide access to the Breck Connect Gondola for express service to Peaks 7 and 8. (There is no parking at Peaks 7 & 8). Fifteen-minute drop-off parking is available across from Breckenridge Station, at the East side of the South Gondola surface parking lot.

Lodging Shuttles

Some lodging groups provide free shuttle service with convenient stops located throughout town. If your lodging company provides a shuttle, look for this sign. (It will be numbered).
